Danish Stem Cell Society 2-3 May 2024 Conference 2024 Marienlyst Beach Hotel

Program Day 1

9.00-9.45 Registration

9.45-10.00 Welcome

10.00-11.00 Session 1 - Stem Cells in the Clinic

TBD

11.00-11.30 Break and Exhibition

11.30-12.30 Session 2 - Organoids and Disease Modelling

Dr. Yung Hae, Max Planck Inst. of Molecular Cell Biology and Genetics, Dresden

Hannah Rostalski, PostDoc, Biotech Research and Innovation Center, UCPH

12.30-13.00 Lunch - a long one

13.00-14.00 Break and Technology Exhibition

14.00-15.15 Session 3 - Stem Cell Models for Drug Transport and Metabolism

Birger Brodin, Professor, CNS drug delivery, University of Copenhagen

TRD

15.15-16.30 Posters, Technology Exhibition and Meet the Speakers

16.30-17.00 Session 4 Transformative Stem Cell Initiatives

Thomas H.R. Carlsen, CEO, Cellerator, Novo Nordisk Foundation

TRD

17.00-18.00 PreDrinks, Posters & Technology Exhibition (Hotel Check-in)

18.30 Conference Dinner & Networking

Danish Stem Cell Society 2-3 May 2024 Conference 2024 Marienlyst Beach Hotel

Program Day 2

7.00-9.00 Breakfast and check-out

09.00-10.00 Session 5

Manufacturing and Automation

Julia Neubauer, Managing Director, Fraunhofer Project Center for Stem Cell Process Engineering, Germany

Fabian Roske, Senior Development Scientist, Cell Therapy Chemistry Manufacturing and Control at the Cell Therapy R&D Unit, Novo Nordisk A/S

10.00-10.45 Break and Technology Exhibition

10.45-11.45 Session 6 - Stem Cells and Deep Learning

Tim Allsopp, Chief Technology Officer, Laverock Therapeutics, UK

TRD

11.45-12.15 Best Poster Presentation

12.15-13.15 Session 7 **TBD**

TRD

13.15 - Closing Remarks, Lunch and Departure

2022 Technology Exhibitors 2024 lineup to be announced
